Artur Galyautdinov

Computer Science Student & Tutor at TU Darmstadt
Germany

Summary

I love applied problems, projects, and studying algorithms (I'm writing my bachelor's thesis on them!). I'm studying at TU Darmstadt and also work here as a tutor, sharing my knowledge.

In my free time, I do volunteer work :D

Experience

Computer Science, TU Darmstadt
2 years

Academic Tutor – "Functional and Object-oriented Programming Concepts"
November 2024 - Present (1 year)
Darmstadt, Hessen, Deutschland

Key responsibilities:

1) Developed and presented lecture-style sessions aimed at explaining course material in a formal and structured way, complemented by illustrative examples

2) Designed and delivered a full-day exam preparation course (Klausurvorbereitungskurs) including:
- Live walkthrough of past exam problems (Altklausur) ~6 hours
- In-depth explanations of model solutions
- Quizzes and real-time Q&A sessions to strengthen understanding

Academic Tutor – "Computer Organisation"
May 2024 - October 2024 (6 months)
Darmstadt, Hessen, Deutschland

Responsibilities included:
- Designing and developing new types of exam questions
- Leading weekly tutorials for two exercise groups throughout the semester
- Moderating the Moodle course for the module
- Supporting the organization and supervision of the final exam

Academic Tutor – "Functional and Object-oriented Programming Concepts"
November 2023 - April 2024 (6 months)
Darmstadt, Hessen, Deutschland

- Providing academic support during two weekly office hours, assisting students with assignments and course content
- Conducted weekly office hours and offered intensive one-on-one tutoring to help students with specific questions
- Supporting the organization and supervision of the final exam

Technische Universität Darmstadt
3 years 1 month

Student Assistant – International admission
October 2022 - Present (3 years 1 month)
Darmstadt, Hessen, Deutschland

1) Supported the training and coordination of fellow student assistants
2) Advised prospective students on university admission procedures and study-related matters
3) Handled application processing for Bachelor's, Master's, doctoral programs, and Studienkolleg admissions

Student Assistant – International Student Services
August 2023 - October 2023 (3 months)
Darmstadt, Hessen, Deutschland

Worked in the International Student Services unit at TU Darmstadt, supporting international and refugee-background students.

Main responsibilities included:
- Providing digital and in-person consultations in German, English, and Russian
- Handling inquiries via the central email account in German and English
- Supporting language placement testing and coordination
- Creating a presentation on how to apply to German universities
- Assisting with office tasks and research activities

Recognized for initiative, flexibility, and intercultural competence.
Completed all assigned tasks with the highest level of reliability and accuracy.

Studentische Hilfskraft AStA
October 2022 - August 2023 (11 months)
Darmstadt, Hessen, Deutschland
